Forward-Looking Statements Disclosures

This press release contains certain forward-looking statements about the conversion and stock offering. Forward-looking statements include statements regarding anticipated future events and can be identified by the fact that they do not relate strictly to historical or current facts. They often include words such as “believe,” “expect,” “anticipate,” “estimate,” and “intend” or future or conditional verbs such as “will,” “would,” “should,” “could,” “may” or words of similar import. Forward-looking statements, by their nature, are subject to risks and uncertainties. Certain factors that could cause actual results to differ materially from expected results include possible unforeseen delays in delivering DRS Book-Entry statements or interest checks; and/or delays in the start of trading due to market disruptions or otherwise.
